

4th ICPO FORUM for Theranostics in Precision Oncology

Science Congress Center · Garching Munich · Germany
15–16 May 2025

PROGRAMME

Subject to change | Revision January 16, 2025 | All stated times correspond to CENTRAL EUROPEAN TIME

THURSDAY, 15 MAY 2025

| | |
|---------------|--------------------------------|
| 07:30 – 08:30 | Registration and Coffee |
| 08:30 – 09:00 | Welcome addresses |

SESSION I: Keynote lectures

| | |
|---------------|--|
| 09:00 – 09:20 | Precision medicine benefiting cancer patients Stephanie Combs |
| 09:20 – 09:40 | Lancet Oncology Theranostics: Real-world patient benefits Andrew Scott |
| 09:40 – 10:00 | Fundamentals of ethics in Theranostics: a patient perspective Josh Mailman |
| 10:00 – 10:20 | Present & future of Theranostics applications Richard P. Baum |
| 10:20 – 10:30 | Q&A time with audience |

| | |
|---------------|--|
| 10:30 – 11:00 | Coffee break (in exhibition area) |
|---------------|--|

SESSION II: Growing patient access thanks to professional education

| | |
|---------------|--|
| 11:00 – 11:15 | ICPO Academy for Theranostics Rod Hicks |
| 11:15 – 11:30 | IAEA Education Programs on Theranostics Francesco Giammarile |
| 11:30 – 11:45 | RLT Academy by ESMIT: Awareness building across stakeholders Paola Anna Erba (to be confirmed) |

PROGRAMME

Subject to change | Revision January 16, 2025 | All stated times correspond to CENTRAL EUROPEAN TIME

THURSDAY, 15 MAY 2025

SESSION III: Enhancing patient access thanks to center initiatives

11:55 – 12:10 **Accreditations of Theranostics centers: a global aspiration**

Vikas Prasad

12:10 – 12:25 **Optimisation Path to a dedicated theranostics center**

Desiree Deandreis

12:25 – 12:40 **New center collaborative development: Munich Precision Oncology**

Matthias Eiber

12:40 – 13:25 **Panel discussion for sessions II and III „The critical path to reach 1 million patients“**

Moderator Ken Herrmann

13:25 – 14:25 **Networking lunch** (in exhibition area)

14:25 – 15:10 **Symposium #1**

Subject to change | Revision January 16, 2025 | All stated times correspond to CENTRAL EUROPEAN TIME

THURSDAY, 15 MAY 2025

SESSION IV: Global Theranostics landscape

| | |
|---------------|---|
| 15:20 – 15:30 | North American Experience: From initial market authorization to scaling patient access Cathy Cutler |
| 15:30 – 15:40 | European Experience: Data on the French outpatient landscape Pierre-Yves Salaün (to be confirmed) |
| 15:40 – 15:50 | Asia-Pacific Experience: Focus on the Philippines Patricia Bautista-Penalosa |
| 15:50 – 16:00 | Indian Experience: From early patient access to today Partha Choudhary |
| 16:00 – 16:10 | African Experience: Facts and figures by WARMTH Masha Maharaj |
| 16:10 – 16:20 | Latin American Experience: Recent developments Mariela Agoti |
| 16:20 – 16:55 | Survey and Panel on “ What key indicators behind patient experience?” Moderated by Josh Mailman |
| 16:55 – 17:00 | Closing of the day |
| 18:30 | Transfer to Bavarian evening Registration required |

4th ICPO FORUM for Theranostics in Precision Oncology

15–16 May 2025

PROGRAMME

Subject to change | Revision January 16, 2025 | All stated times correspond to CENTRAL EUROPEAN TIME

FRIDAY, 16 MAY 2025

08:30 – 08:35 **Welcome**

SESSION V: New radiopharmaceuticals, FAP and beyond

08:35 – 08:50 **FAP clinical establishment and trials update**

Frederik Giesel

08:50 – 09:05 **Trials and advances in FAP and CA9**

David Cade (to be confirmed)

09:05 – 09:20 **GPC3 early data in oncology**

Wolfgang Weber

09:20 – 10:00 **Panel + Q&A from audience: “We see it, we treat –are we moving to curative care?”**

Moderator Olivier Sartor (to be confirmed)

10:00 – 10:30 **Coffee break** (in exhibition area)

FRIDAY, 16 MAY 2025

SESSION VI: ICPO Research Grants & Award

| | |
|---------------|--|
| 10:30 – 10:45 | AI-powered Global Radiopharmaceutical Trial Finder Danielle Ralic |
| 10:45 – 11:00 | Cost-Utility Analysis of RLT in 2nd and 3rd line treatment for mCRPC in Germany Tom Stargardt |
| 11:00 – 11:15 | Preclinical imaging applied to innovative indication Ana Katrina Mapanao |
| 11:15 – 11:40 | Maurits W. Geerlings Award on Ac225 – Presented by Elcin Zan and Oliver Buck Winner presentation |
| 11:45 – 12:15 | Symposium #2 |
| 12:15 – 13:15 | Networking lunch (in exhibition area) |
| 12:45 – 13:15 | <i>A career in Theranostics? Cross-generational Meetup (in networking area)</i> <i>For students and residents – registration required</i> |

SESSION VII: TherAInostics or iTheranostics

| | |
|---------------|---|
| 13:15 – 13:30 | ICPO Perspective and Initiative Lalith Shiyam Sundar |
| 13:30 – 13:45 | AI based PET image reconstruction, lesion classification and quantitation to assist theranostics decision making Lance Lingzhi Hu |
| 13:45 – 14:00 | Theranostics for Tomorrow Kevin Ulm |
| 14:00 – 14:45 | Survey and Panel discussion „AI as backbone for centers of the future“ Moderated by Thomas Beyer |

FRIDAY, 16 MAY 2025

SESSION VIII: Future horizons in targeted alpha therapies

| | |
|---------------|---|
| 14:45 – 15:00 | Space for alpha therapy in oncology arsenal Oliver Sartor (to be confirmed) |
| 15:00 – 15:15 | Ac225, path towards secure and sustainable supply Neil Quigley |
| 15:15 – 15:30 | At211 thanks to Accelerate.EU initiative Hugo Levillain |
| 15:30 – 15:45 | Pb212 clinical opportunity Vicki Jardine |
| 15:45 – 16:15 | Panel discussion: Alpha therapy, game changer in personalized cancer care Moderator Rod Hicks |

SESSION IX: Highlights, final round table and closing

| | |
|---------------|--|
| 16:15 – 16:25 | Highlights 4th ICPO Forum Thomas Beyer |
| 16:25 – 17:05 | Final round table: What synergies are needed in the field? What themes are desirable for ICPO Forum 2027? Moderated by Richard P. Baum |
| 17:05 – 17:20 | Closing words |
